HANDS-ON PROJECTS

◆ Nexus — AI Career Management Platform ● LIVE

Tech: Next.js · TypeScript · Supabase · Gemini API · OpenRouter · PDF.js · Mammoth.js

- Architected a real-time CV editor (contentEditable) supporting seamless manual + AI collaborative editing without cursor disruption.
- Built intelligent document processing with PDF.js, Mammoth.js, and OCR to extract structured resume data with high accuracy.
- Developed AI Opportunity Extraction to auto-structure job postings (skills, requirements, experience) from pasted text or URL.
- Integrated Gemini Flash Lite via OpenRouter & Supabase Edge Functions — enabling real-time match scoring, content optimization, and Interview Copilot.
- Designed a complete career suite: AI-powered job matching with gap analysis, Kanban application pipeline, and STAR-method interview coaching.

◆ Restaurant POS System ● LIVE

Tech : *Next.js · React · TypeScript · PostgreSQL · Prisma · NextAuth · Tailwind CSS · Vercel*

- Built a full-stack POS web app to streamline restaurant operations — back-office dashboard + QR code ordering system.
- Integrated PostgreSQL with Prisma ORM for efficient data management; NextAuth for secure user authentication.
- Deployed on Vercel with performance optimization and auto-scaling.
- 🏆 Key Outcome: Reduced order processing time by 30% in testing through real-time order management.

◆ Jobster — Job Board App ● LIVE

Tech: *MongoDB · Express.js · React · Node.js (MERN) · JWT · Redux · Tailwind CSS*

- Developed a MERN-stack job board with full CRUD operations on job postings.
- Added search and filtering by keyword, location, and category — enhancing usability.
- Implemented JWT authentication and Redux for efficient client-side state management.
- 🏆 Key Outcome: Achieved 25% faster filtering response in testing.

EXPECTED SALARY

Negotiable based on overall benefits and learning opportunities. My primary goal at this stage is to gain meaningful hands-on experience as a junior full-stack developer. Open to discussing a package that aligns with the role and provides genuine growth potential.

Thank you for your time — Let's keep in touch! 🍷
